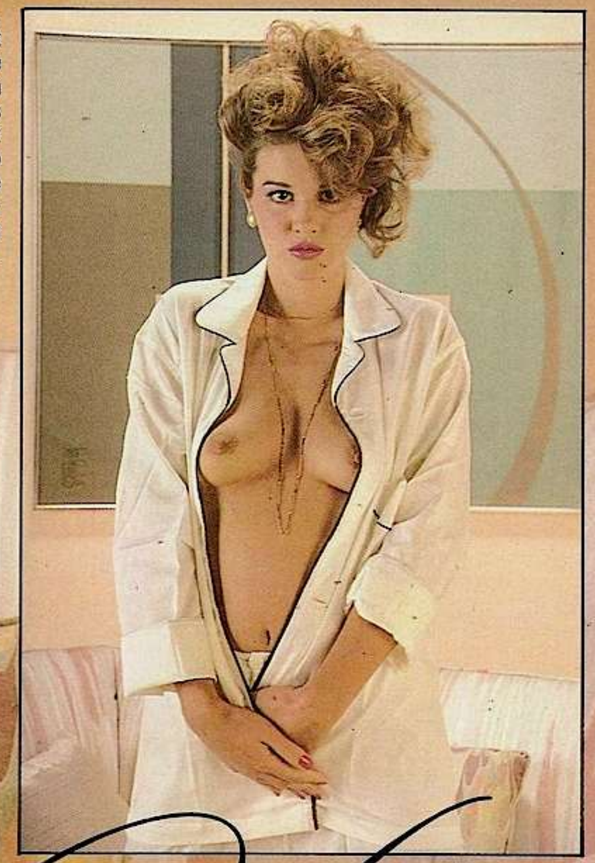
Beautiful Dreamers,
Overseas Drinkers,
Dirty Weekenders,
and John Cooper Clarke!

Under a different name, which she would not divulge, Kim sings some mean rock 'n' roll with a local band. She also makes all her own clothes. It wouldn't surprise us to learn she has a double doctorate in Physics and Serbo-Croatian studies, but was too modest to mention it.



Kim

In all honesty, for such a multi-talented lady she's remarkably unaffected and it took a lot of cross-examination to winkle even this much information out of her. We can therefore positively state that she is not as tall as she looks, her figure is . . . all her own, she's just as sexy as she looks — and suffers from selective amnesia. Or just possibly she didn't want to give old Pisshead her phone number. Wise lady. Nice too. Should we use her again, do you think? Write and see:

What a little sweetheart! Now this lady really could have gone places in the mildly-naughty-picture business. Could have but didn't. Blew it. Y'see, she did this set for Micky and he showed it to Pl★yb★y and they said, "Gimmee, gimmee!" But then she met some hairy chested spoilsport and love reared its ugly head. He gave her the "No girlfriend of mine . . ." routine — and that was that. The man must be a complete Mork. Anyway; it's a good example of ill-windmanship, because, unable to sell the pictures in the States, Micky flogged 'em to us — for you, gentle reader. Enjoy, enjoy.

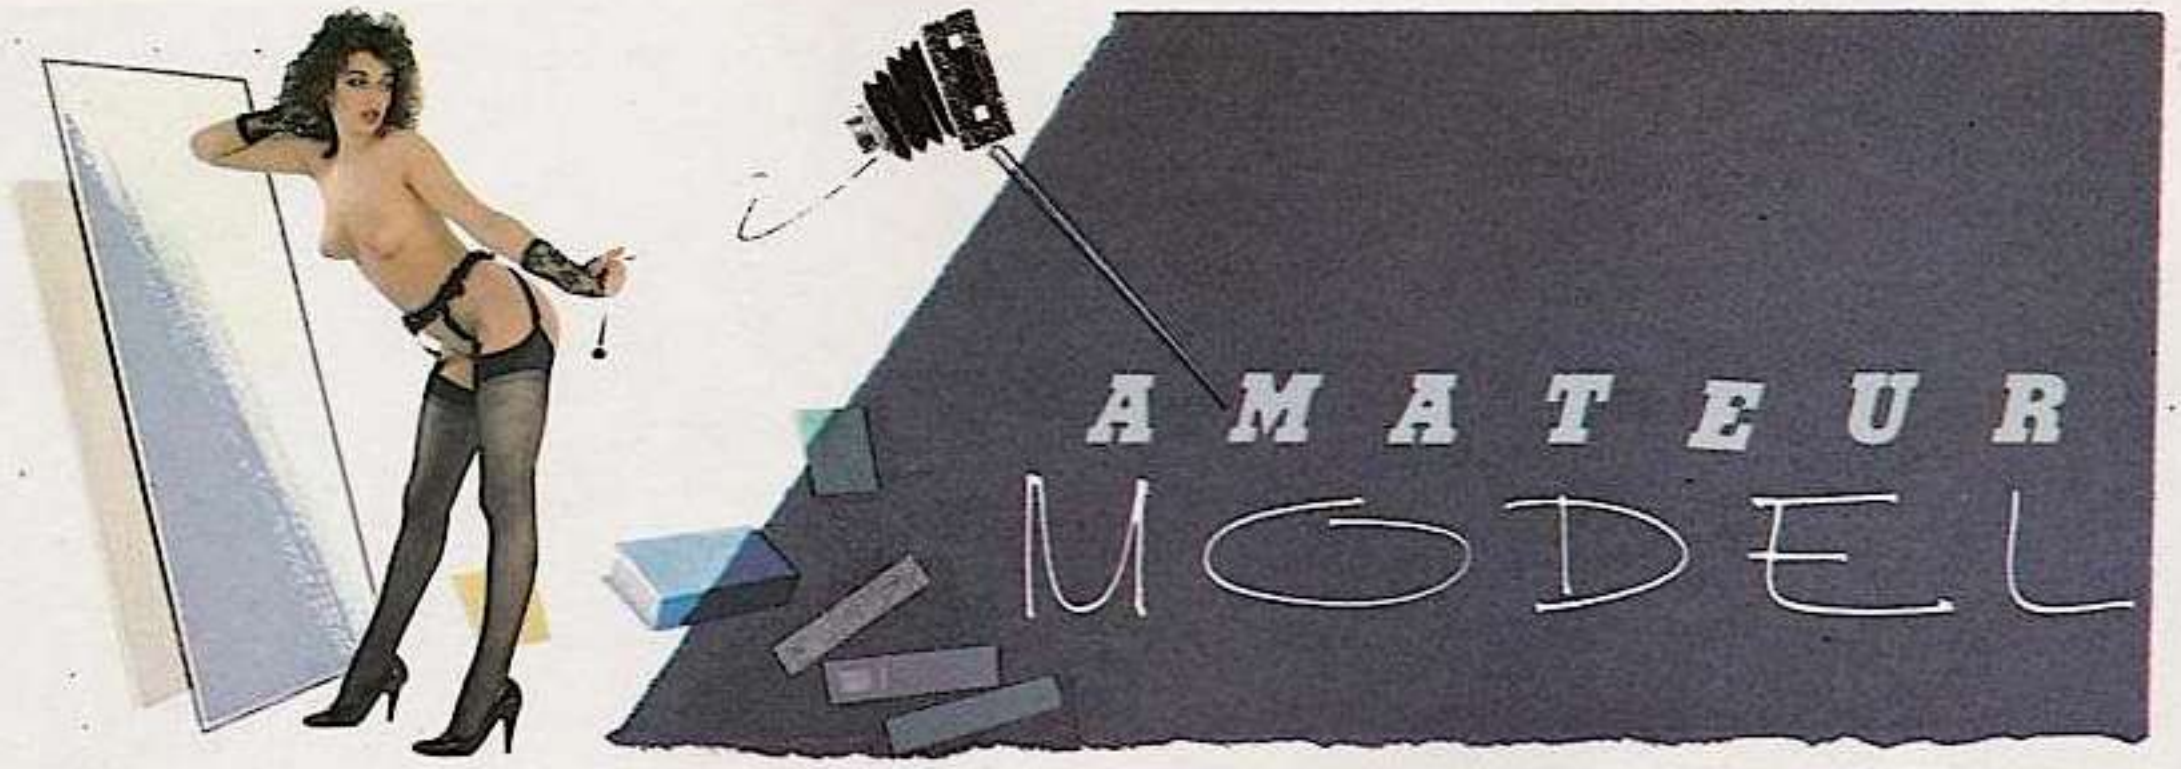
She's 23 years old, shares a flat in Manchester with several extremely lucky students and comes from Catterick. What's she like? Allow us to quote from Chambers Twentieth Century Dictionary:

sultry, sul'tri, adj. *sweltering: close and oppressive: hot with anger: passionate, voluptuous: (of language) lurid, verging on the indecent.*

Couldn't put it better ourselves . . .



This girl did it — so could you. If you think you could make it as one of our Amateur Models, fill in the form below and send it in with a few rude nude pictures of yourself. Polaroids will do, at least two completely nude — front and back view.

Sarah Winfield
This is your brand new Executive Secretary, just itching to tear her clothes off for you at your command. It's all a bit like real life, really. Except that Sarah has never worked as a secretary in her life . . .

If you're successful we'll invite you to London, pay you £150 for the day's work plus travelling expenses and overnight accommodation, build a special set and lay on a make-up artist and a professional photographer to make sure you look your best. There's also a £25 prize for whoever took the original pictures of you. You'll never know unless you try — and it's great fun being a star for a day!

She got married straight from school and has now decided, what with having a little time on her hands, that it's time she threw a few poses at our cameras. Nice. She even thought the Editor was sweet, but no one's perfect.

Incidentally, the transparent old fool has taken to insisting on taking a roll of film on the girls he fancies, supposedly so they can model our sweatshirts for us. But don't worry, girls, it's a small price to pay for stardom . . .

Yvette

Last seen in Knave Vol. 14 No. 6, Yvette still looks just as delicious, and has clearly gone up in the world — to the bedroom. This was shot somewhere in Paris, which is, in turn, somewhere in France. And Stephan Jourdain did the deed. It's called job satisfaction.

Yvette has matured somewhat in the last year — or so she insists — but she's certainly retained that devastatingly cheeky smile. You see, we do let our girls smile occasionally. At any rate, we do when the smile in question gives you all the answers . . .
